G.O.No.1408-17/Muz.38-20-12 dated 14th October 1920 directing among other matters the investment in the 6¼ % State Loan of 1940, of sum of Rs.50,000/- out of Puduvat Deposits held in the Government Savings Bank.

Order -- No. 529-30 Mur and 75-227

Dated Bangaloro, 5/8/22

As regards the above, the Deputy Commissioners have sent to Government statements of amounts which might be transferred to the State Loan from the Savings Bank. Some Amildars have on their part sent applications direct to the Comptroller ~~xxxxx~~ tendering various sums drawn by them from Savings Bank Deposits without reference to the Deputy Commissioners.

2. After examining them the following statements have been prepared here:-

Statement (a) Cases in which moneys has been drawn from the Savings Bank and credited the Loan in accordance with the proposals of the Deputy Commissioners.

Statement (b) Cases in which moneys have been withdrawn by Amildars from the Savings Bank and credited to the Loan, but which are not included in statement (a).

Statement (c) Cases in which Amildars have tendered money in the names of Muzrai Institutions without stating from what source they got the money.

5/8/22

Statement (d) Cases in which in spite of the orders of the Deputy Commissioners that certain sums should be invested in the State Loan, no action has been taken by the Amildars.

3 Copies of the statements will now be (a),(b) & (c) forwarded to the Comptroller and the Deputy Commissioners of the respective Districts, who, in consultation with each other, will take further action to complete the investments on the lines indicated below:-

4 In cases (a) above, the Loan Bonds, will at once, be issued. In cases (b) above, the Deputy Commissioners will intimate to the Comptroller his acquiescence or otherwise in the Amildar's action and bonds will be issued in all cases agreed to by the Deputy Commissioners. In cases (c) above, enquiries should be made by the Deputy Commissioners and action taken for the acceptance or otherwise of the moneys tendered by the Amildars, according to the merits of each case.

5 The total amount of moneys tendered for the loan, as above, comes up to Rs.82,175/- (face value) against Rs.50,000/- specified in the Government order read above. The latter was only a rough estimate; the full amount of Rs.82,175/- will now be accepted, the excess being reduced out of the amount fixed for investment out of the cash balance of Muzrai Funds.

6 A report of the action taken should be submitted to the Government by the Deputy Commissioners before the 22nd August 1922; and the Comptroller will also furnish to the Deputy Commissioners and to the Government a statement of the Loan Bonds formally issued in pursuance of this order.

7 Cases falling under (d) will be dealt with separately in making allotments of the cash balance to make up the

total investment of 7½ laks.
